### **How to Style Your Outdoor Patio Space with Side & End Tables**

A patio side table is the perfect accessory to your outdoor pool furniture and is available in many designs and materials.

A poolside end table allows you to style your outdoor space, while also being functional giving a place to lay down snacks, drinks, and supplies within arm's reach. Choose from options such as acrylic, aluminum or resin outdoor side tables. You'll be surprised how much impact a simple, small patio side table can have on your space and poolside.

### **What are the Types of Patio End Tables?**

Select end tables that match your patio furniture and fit well in between dining chairs or pool chaise lounges. A small outdoor end table is great for complementing your pool or patio seating area.
